Assignment 3

Question: Build a multi-page website for a college event information and participant registration with following pages:

- Homepage with Event name, date, and short description
- Events page listing different competitions (use or)
- A schedule or result table for events
- Registration form for participants
- A photo gallery page with multiple pictures in grid form.
- Contact and FAQs page

Use list to display events information with formatting, table for event schedule or results, form to register for events, links to social media and previous year gallery.
